Christmas Appeal Makes Christmas Merry

This year's Christmas Appeal to help purchase Christmas gifts for residents of The Heritage, The Villas and The Ridgewood raised \$19,568.50, according to Director of Development Diane O'Brien. This amount represents donations from 318 donors and surpassed the goal of \$18,000.

"It's hard to explain the joy expressed by our residents when they receive their very own Christmas gift each year," O'Brien said. "Without this support, we may not be able to do it."

Gifts for individual residents are purchased with money from the fund and personally delivered to each person from Santa and his volunteers right before Christmas. Each gift is beautifully wrapped and has the resident's name on it.

If there is money remaining in the fund after all gifts for residents involved are purchased, the committee takes a look at the "wish list" submitted by staff members. These are items that are more costly and "out of the box" from usual, everyday requests.

Current wish list items include:

- Televisions
- Milkshake machine
- Piano
- Storage shed
- Convection oven
- Low air loss mattresses
- Specialty wheelchairs
- Support walkers
- New appliances for a neighborhood kitchenette

Anyone who would still like to give to the Christmas Appeal to help make these "wishes" come true for our residents should contact Diane O'Brien at 724-588-9613, ext. 1237.

Sled Ride Party

Residents from St. Paul's were invited to watch some staff whoosh and crash down the Courtyard hill behind The Villas during the first real snowfall in January. Residents watched from the warmth of indoors, sipping hot cocoa, while Mimi Dreher, Missy Nitch, Dianna Mills, and Becky Davis entertained from the cold outside.

Cuddles and Snuggles

Dorothy "Terri" Wallace of The Villas enjoys a visit from Ginger "Ginnie," an 8-week-old mixed Beagle and Pit Bull puppy recently adopted by Activity Aide Stephanie Gordon. Pets visited the residents of The Villas on Friday, Jan. 6, on Cuddles, Snuggles and Jeans Day.

National Pride in Food Service Week

Just as food nourishes the body, charitable financial support nourishes an organization and its ability to both continue and improve upon provided services.

In light of National Pride in Food Service Week, St. Paul's recognizes its dietary staff who works diligently to prepare and serve healthy, nutritious meals to the residents and staff daily. St. Paul's also wishes to recognize Sodexo Senior Living for its partnership and continued generous support. Sodexo has managed food services at St. Paul's for 25 years and maintenance for the past three.

"As a corporate giver, Sodexo plays a key role as a major sponsor and supporter of our events and activities," said Director of Development Diane O'Brien, noting the company has supported the Vision for the Future campaign, Caring Hearts on Fire Gala, and staff Christmas parties. "And we so appreciate the support and service that Sodexo provides, which ultimately improves the lives of our residents."

"The mission of Sodexo is to 'Improve the Quality of Daily Life,' which means enabling our residents to live their best lives," said Joe Gorman, senior vice president of Sodexo Senior Living. "We proudly support events such as The Caring Hearts on Fire Gala because its purpose so closely aligns with our mission."

"Corporate support can come in the way of gifts to various campaigns, supporting the Caring Hearts on Fire Gala in 2012, the annual Resident/Family Picnic or Annual Car Cruise, to name a few," O'Brien said. "Because of these donations, we can continue to care for our residents and provide exceptional care and support. Gifts from corporate sponsors help to make all these events and activities successful for family members, staff and residents. We appreciate the relationships that we have with our corporate partners and we encourage more to become involved with us for the benefit of our residents."

To learn more about supporting St. Paul's on an individual basis or corporate level, please call Diane O'Brien at 724-588-7610, Ext. 1237.

Tina Cascio, a.k.a. Ben Franklin, explains the Franklin Flyer program of giving to United Way in 2012 to St. Paul's staff members Cheryl Crawford and Julie Green. The goal this year is \$30,000 and "Ben" is still taking pledges and donations at various levels of giving. Payroll deduction is available. Tina can be found in the Human Resources Department or call her at ext. 1114. For more information about this year's campaign results, see the March edition of Campus Connections.

Arlene Kelley Retires

Arlene Kelley was honored at a party celebrating her retirement after more than 30 years at St. Paul's. She began her service here on April 6, 1981, and retired on Dec. 17, 2011.

A Message from the Pastor

Play a word association game and mention February and among the responses you likely will get is Valentine's Day. It is a day in which we express our love to special people in our lives by giving gifts such as flowers, jewelry, candy and cards.

Our God gives us gifts because He loves us. The most special gift He gave was His Son, Jesus. We read in John 3:16 that God so loved the world that he gave his only Son as the means by which we receive everlasting life. Jesus, who was without sin, suffered the pain and humiliation for all of our sins.

How do we show God our love and appreciation? In Matthew 22:37 we read that when one of the Pharisees who was a lawyer asked Jesus about what is the great commandment in the law, Jesus replied " 'You shall love the LORD your God with all your heart, with all your soul, and with all your mind.' ³⁸ This is the first and great commandment. ³⁹ And the second is like it: 'You shall love your neighbor as yourself.' "

We don't have to wait until Valentine's Day to express our love to God and to thank Him for the gift of His Son. In the same manner we need to love others in the same way that we love ourselves. So while we may get a special gift for our Valentine, we should share God's love with all.

Eden Member of the Month: Beckie Erwin

Beckie Erwin is the marketing specialist at St. Paul's. She was born and raised in Greenville, where she now lives with her husband, Shaun, and their two children. Daughter Landis is a senior at Gannon University in Erie and son Garrett is a senior at Greenville High School.

Beckie is secretary of the Kiwanis Club of Greenville, where she chairs the Youth Services Committee. She graduated from Greenville High School and Westminster College with a degree in English and a certificate in secondary education. She continued her education at Slippery Rock University where she fell shy of completing a degree in special education with a concentration in criminal justice. Realizing that teaching was not the field for her, she took a job in advertising at The Record-Argus which led to positions as a reporter, city editor and managing editor at the paper.

After also working as information coordinator at Thiel College and a church program director, she returned to The Record-Argus as community editor where she worked from 2007 to November 2011, at which time she came to St. Paul's. Her primary responsibilities currently are public relations, writing, photography, and working at events with the Marketing Department.

During her life, she has had the opportunity to fly with the U.S. Army Golden Knights Skydiving Team, sky dive herself, which is something she recommends to everyone, and pilot an Ultralight aircraft. She also was a synchronized swimmer on The Mermaids Swim Team at Westminster.

She enjoys attending her children's activities, reading, photography, and exploring wineries with her husband, particularly along the Finger Lakes region of New York.

Mission: To improve the well-being of residents and those who care for them by transforming the communities in which they live and work.

Vision: To eliminate loneliness, helplessness, and boredom.

Poetry Corner

When you have time to take a walk, don't forget to admire the grass.

Grass doesn't make a fuss; it doesn't try to be beautiful or outstanding.

It doesn't want to attract attention.

It's so humble that it even allows people to walk all over it.

Yet it possesses such strength and glows in its healthy green ambiance.

When a typhoon, hurricane or tornado hits and all the flowers die and trees are uprooted, the humble grass survives.

And humble grass, in its own humble way provides food for animals, shelter for insects and joy to some funny guy walking past.

A virtuous person should be like grass, humble, unnoticed yet possessing great strength and kindness.

Respite Stays

The Ridgewood welcomes residents for Respite Stays (short term stays). Respite stays offer caregivers support by providing a place for their loved ones to stay while they are away or taking a needed break. Respite stays include a private apt. and assistance with daily activities. For more information call The Ridgewood at 724-588-7610.

Transportation Reminder

In order to better serve transportation needs, please let the receptionist know of your needs **preferably 48 hrs. in advance**. We ask that all residents be ready and waiting in the lobby ½ hour before their appointment time unless otherwise notified. Each pink Appointment Reminder Slip has this same request noted on the bottom of the paper to serve as a reminder.

Ridgewood Residents

Please remember to sign out if you're stepping outside. Even though you may just be sitting outside we need to know if you're not in the building. This is an important task to insure your safety in case there is a fire or tornado.

Precious Gems

Missy Nitch, right, admires the necklace of Carolyn McConnell, one recipient of necklaces made by Carolyn Hartle for residents of The Villas, The Heritage and The Ridgewood for Christmas. Hartle and her niece and nephew personally delivered most of the hand-crafted necklaces.

Pillows for Vets

Dorothy Armour, a resident of The Ridgewood, completes a pillow for veterans, a project brought by Nancy Manning, volunteer services coordinator of SouthernCare.

Scout Meeting

Local Brownie Troop 30142 visited with former Girl Scouts and now residents of The Villas on Dec. 14 in the Bistro.

Thanks to Food Service!

Help us celebrate our food service staff during "Pride in Food Service" this month. They not only take good care of everyone every day but also during many special events throughout the year. Thank you!

Wings to Fly: Mabel Parks turns 101

On Dec. 17, 1903, Orville and Wilbur Wright invented the first gas-motored, manned airplane. Seven years later on Dec. 20, 1910, Mabel Parks was born. She would one day own one of those airplanes and earn a license to fly it.

"I loved to fly," she said. "I'd jump in my plane and just take off. There is no other feeling like it in the world."

Mabel is now a resident of The Villas and celebrated her 101st birthday Tuesday afternoon at a Christmas party surrounded by friends and staff.

She attributes her long life to "eating what's good for you" but advises to "like everything that's edible." Her age doesn't bother her much but she knows it is a lot of years. "That's getting up there," she said. She and her late husband, Paul, have two daughters, Donna and Sandra.

She misses flying and even though she knows it is no longer possible to do so, "I'm 101 years old and I ought to be able to do what I want to do."

Puzzlers

Nora Long, The Heritage, completes a puzzle while Marilyn Moore looks on. The residents have completed many puzzles and

keep a photo album of all they do, which is located on the puzzle table in the lobby of The Heritage.

Thank You Activities Staff!

January was National Activities Professionals Recognition Month. Help us recognize the wonderful activities staff in all our buildings for the service they do here every day at St. Paul's. Thank you!
